**Technical / Domain:** API & Data Coordination, Matrix Metadata & Field Mapping, RESO Data Standards, Documentation, Training Enablement, Billing Systems, AI Knowledge Operations

**Domain Expertise:** MLS Touch, ShowingTime, Matrix, StaxBill, Calabra Ad Builder, RealReports, TransactionDesk, CubiCasa

## PROFESSIONAL EXPERIENCE

### Stellar MLS

Sep 2022 – Present

#### Product Owner

- Promoted four times in 3 years 7 months while expanding ownership across a 9-product core portfolio serving 80,000+ real estate professionals.
- Own 3 primary and 6 secondary product assignments across key platforms including MLS Touch, ShowingTime, Calabra Ad Builder, Matrix, TransactionDesk, Hurdler, Roombo, Salesforce Customer Experience Portal, and internal analytics tooling.
- Translate business needs, customer feedback, and adoption data into prioritized requirements, QA plans, risk assessments, rollout communications, and post-launch refinement.
- Created and managed QA documentation across multiple quarterly enhancement cycles for Matrix enhancements, web applications, CRM extensions, and product launches, supporting testing, validation, issue tracking, and release readiness across multiple systems.
- Led an enterprise-wide NAR settlement compliance initiative, driving audit, documentation, rules updates, training materials, and rollout support across forms, fields, website content, remarks restrictions, and internal guidance.
- Serve as Product Owner for StaxBill and its payment gateway, coordinating annual billing enhancements with accounting, marketing, vendors, and executive leadership while managing sandbox-to-production release readiness.
- Built Matrix field-mapping and metadata documentation, directed API and data-pull coordination, helped develop a RESO Data Dictionary, and participated in RESO Data Dictionary workgroup and duplication subgroup meetings.
- Trained and onboarded 10 technicians, often up to 3 at a time, while supporting knowledge transfer and readiness for new tools, workflows, and product updates.
- Own governance and content quality for internal AI chatbot platforms supporting 10+ departments by maintaining source documentation, coordinating feedback workflows in Monday.com, and improving answer accuracy over time.

### Elite Realty Inc.

Feb 2017 – Mar 2022

#### Lead Information Technology Specialist

- Served as the go-to internal IT resource for a real estate office environment, supporting PCs, mobile devices, networking, software, and day-to-day operational issues.
- Diagnosed and resolved hardware, software, and connectivity problems, recommended security and hardware improvements, and helped maintain reliable operations for staff and agents.
